PROFESSIONAL EXPERIENCE

CAPPELLA SPORTS | E-Commerce Manager | Aug 2022 – Aug 2024

- Created SOPs and standardized workflows while leading and guiding an **8-member e-commerce team**, supporting employee performance, knowledge development, and professional growth
- Redesigned and automated sales reporting in Google Sheets, reducing reporting time by **83%** and minimizing manual effort.
- Developed Google Sheets and Power BI dashboards to compare marketplace sales, analyze product buying patterns and brand performance, track category-wise and top-selling products, and provide actionable business insights.
- Expanded the brand's online presence by onboarding JioMart, Nykaa, and five additional third-party marketplaces, managing seller accounts and end-to-end partner communication to strengthen brand visibility and market reach.
- Improved website customer experience by implementing standardized product and order communication templates, AI chatbot support, proactive WhatsApp updates in collaboration with the marketing team, and a customer-service knowledge bank to ensure consistent communication, streamline workflows, and support new-hire onboarding.
- Managed end-to-end brand onboarding and marketplace readiness, covering brand registry, catalog development, pricing strategy, promotional activities, and brand positioning to strengthen product visibility and support sales growth.

ELSEVIER | Journal Manager | Sep 2020 – Feb 2021

- Managed a portfolio of academic journals, monitoring publication schedules, workflow progress and quality standards.
- Served as the primary point of contact for Editors-in-Chief, Sub Editors, publishers and production teams, coordinating stakeholders across the publication lifecycle.
- Monitored journal performance and workflow progress, identifying delays and operational issues requiring follow-up.
- Investigated publication-related issues and coordinated resolution with internal teams to minimize workflow disruptions.
- Prioritized and resolved author queries involving publication delays, article corrections and other production-related concerns.

AMAZON | Senior Catalog Specialist | Sep 2017 – Sep 2020

- Analyzed operational data, conducted root-cause analysis, and communicated findings to resolve escalations and address recurring process issues.

- Collaborated with technical teams to develop a web-based ticketing platform that routed issues to the appropriate teams, reducing manual errors from **12% to below 3%.**
- Delivered refresher training and reinforced case-resolution procedures, contributing to a **58.3% reduction in the reopened-case rate.**
- Selected to participate in Amazon training certification programs and supported the launch of the Virtual Contact Centre for Amazon India.
- Facilitated training for **13+ new-hire batches across Chennai and Bangalore**.
- Collaborated with the Instructional Team to develop new-hire process training content, improve SOPs, and enhance training materials.
- Developed knowledge resources and process documentation to promote operational consistency and knowledge sharing.
- Received recognition for **Customer Delight, First Among Equals, and Best Performer.**

AMAZON | **Catalog Associate** | **Oct 2014 – Sep 2017**

- Managed inventory-related operations, including purchase orders, late-delivery investigations, order rejections, and chargeback queries.
- Developed and implemented SOPs to standardize workflows and address knowledge gaps, reducing Average Handling Time (AHT) by **36.4%**. Recognized with the **Extra Mile Award** for contributions and performance.

PROPTIGER REALTY | **Assistant Sales Manager** | **Jun 2013 – Jun 2014**

- Managed the end-to-end customer journey, from understanding property requirements and recommending suitable residential options to coordinating property visits, follow-ups, sales closure, and post-purchase and loan-related assistance.
- Collaborated with the instructional design team to develop sales presentations and improve client communication.
- Awarded for the highest number of sales recorded for the Chennai branch in April and May.

CERTIFICATION

Microsoft Certified: Fabric Analytics Engineer Associate (DP-600)
Microsoft Certified: Power Platform Fundamentals (PL-900)
